

# Didrik Nielsen | Curriculum Vitae

☎ +47 9947 7379 • ✉ didrik.nielsen@gmail.com • 🌐 didriknielsen.github.io

MSc in Applied Physics and Mathematics. Passionate about *machine learning*, in particular probabilistic approaches. Interested in the development and evaluation of probabilistic models, as well as design of approximate inference methods.

## Education

---

- **Technical University of Denmark (DTU)** **Copenhagen, Denmark**  
*PhD Student* *January 2019–*  
Researching Unsupervised Deep Learning with Prof. Ole Winther.
- **University of Amsterdam (UvA)** **Amsterdam, Netherlands**  
*Visiting PhD Student* *January 2020–June 2020*  
Visiting AMLAB, working with Prof. Max Welling.
- **Norwegian University of Science and Technology (NTNU)** **Trondheim, Norway**  
*MSc Applied Physics and Mathematics, Average Grade: A* *August 2011–December 2016*  
Main profile: Industrial Mathematics. Specialization: Statistics.
- **National University of Singapore (NUS)** **Singapore, Singapore**  
*Exchange Student, Average Grade: A-* *January 2015–May 2015*

## Employment

---

- **DTU Compute** **Copenhagen, Denmark**  
*Research Assistant* *September 2018–December 2018*
  - Allocated to a project with the start-up raffle.ai. Tasks:
    - Developing corporate virtual assistants using information retrieval, natural language processing and deep learning.
- **Center for Advanced Intelligence Project (AIP), RIKEN** **Tokyo, Japan**  
*Research Assistant* *March 2017–August 2018*
  - Working in the Approximate Bayesian Inference (ABI) team.
  - Working with Mohammad Emtiyaz Khan in research with a focus on variational inference. Tasks:
    - Participate in the generation, execution and communication of research ideas.
    - Contributed to three conference papers, one arXiv paper and two workshop papers.
- **Norwegian Computing Center** **Oslo, Norway**  
*Assistant Research Scientist* *June 2016–July 2016*
  - Summer job in the Statistical Analysis, Machine Learning and Image Analysis (SAMBA) department.
  - Working on a research project on fraud detection. Tasks:
    - Clustering of insurance policies.
    - Hyperparameter tuning for predictive models.
    - Social network analysis of customer transactions.
- **Norsk Hydro** **Oslo, Norway**  
*Summer Intern* *June 2015–August 2015*
  - Summer internship in the Energy Markets department.
  - Developing trading strategies for energy markets. Tasks:
    - Prepare and clean data, both technical indicators and fundamental factors.
    - Use machine learning methods to generate trading recommendations.
- **If P&C Insurance** **Oslo, Norway**  
*Summer Intern* *June 2014–August 2014*
  - Summer internship in the Motor Insurance department. Tasks:
    - Analyzing trends in insurance claims.
    - Analyzing the effects of a marketing campaign.

## Teaching & Invited Talks

---

- **AMLAB Seminar** **Amsterdam, Netherlands**  
*Invited Talk* *September 2020*  
I gave a talk about our recent paper *SurVAE Flows: Surjections to Bridge the Gap between VAEs and Flows*.
- **Technical University of Denmark** **Copenhagen, Denmark**  
*Teaching Assistant* *September 2019–December 2020*  
I was a teaching assistant in the *Deep Learning* course in both 2019 and 2020.
- **Data Science Summer School** **Paris, France**  
*Teaching Assistant* *June 2018*  
I was a TA in the two-day tutorial on Approximate Bayesian Inference at the Data Science Summer School 2018.
- **Works Applications** **Tokyo, Japan**  
*Invited Talk* *May 2018*  
I gave a one-hour introduction to the field of Bayesian Deep Learning at the headquarters of Works Applications.
- **Norwegian University of Science and Technology** **Trondheim, Norway**  
*Teaching Assistant* *January 2013–December 2016*  
I held in total 7 teaching assistant positions in courses on statistics, calculus, finance and fluid mechanics.

## Extracurricular Activities

---

- **Machine Learning Conferences** **Online**  
*Reviewer* *June 2019–*  
I served as a reviewer for NeurIPS 2019, ICML 2020, NeurIPS 2020.
- **Bedriftskontakten Nabla** **Trondheim, Norway**  
*Business Contact* *April 2013–April 2014*  
I volunteered as a business contact in the student association. This work included contacting companies and organizing company presentations.
- **Hans Majestet Kongens Garde** **Oslo, Norway**  
*Guard Soldier* *July 2010–July 2011*  
Compulsory military service. I served one year as a guard soldier in the Royal Guard.

## Selected Publications

## Skills

---

- **Languages:** Norwegian, English.
- **Programming Languages:** Python, R, MATLAB, C++.
- **Frameworks & Libraries:** PyTorch, TensorFlow.
- **Tools:** LaTeX, Git.
